

FMM SIJIL PENGURUSAN STOR & GUDANG

PANEL TENAGA PENGAJAR

AHMAD SAFFIAN B. ABDUL SALAM

En. Ahmad Saffian currently runs his own consultancy and Training firm. Prior to this, he has held the positions of General Manager with a MARA owned company, Warehouse Manager with Malaya Breweries and Materials Manager with Sapura Holdings.

He is one of the lecturers for the Malaysian Institute of Purchasing & Materials Management's joint Certificate programme with the Chartered Institute of Purchasing & Supply, U.K. En Saffian has also conducted a series of in-house programmes for several multinationals including a long term stint in training staff of Petronas in Stores, Purchasing and Materials Management.

He also heads the professional team in reviewing and rewriting Petronas Carigali Sdn Bhd's purchasing and materials management policies and procedures. A member of the Chartered Institute of Purchasing & Supply, En Saffian also holds a Diploma from Institute Teknologi Mara.

MOHD YUSOF B. HUSSAIN

En. Mohd Yusof Hussain, entered the ITM (now UITM) to obtain his ACCA (UK) from 1967 – 1971. Upon graduation he worked in the first of 3 multinationals in Kuala Lumpur starting with Coopers and Lybrand (Public Accountants) as an Auditor followed by J. Walter Thompson Co. Ltd (Advertising) as an Accountant and Company Secretary.

His last employer was Shell Malaysia (Petroleum) where En. Yusof worked as an Auditor and Treasurer and then as Contract Manager and as Materials Manager in the Procurement Department from where he opted for early retirement. While in Shell Malaysia, out of this tremendous interest in Procurement he introduced the Distance Learning Programme leading to Chartered Institute of Purchasing & Supply (CIPS) in 1996 and became the first participant to graduate in 1997, thus adding the Member of Chartered Institute of Purchasing and Supply (MCIPS) at the age of 48 to his Fellow of Certified & Corporate Accountant (FCCA).

ZAILANI B. MOHD ZAID

En. Zailani Bin Mohd Zaid holds a Master in Engineering Business Management from the University of Warwick, United Kingdom. He also holds a Diploma in Mechanical Engineering from ITM and a Diploma in Management from MIM.

One of the core areas in his Masters programme was Logistics, Operations Management and Supply Chain Management. He brings along with him industrial experience of 18 years, which he gained whilst working in the areas of transport services, operations, inventory management and procurements in different industries and businesses.
